JULIAN OPIE

Kukje Gallery, Jongno District

To Sunday: This is a solo show of the works of British artist Julian Opie, who is well known for his simplified human figures, edged with bold black lines and full of dynamism.

The exhibition includes several paintings depicting the images of contemporary people walking on the streets of Seoul. The works depict in vivid colors men and women viewed from the side, walking through Sinsa-dong and Sadang-dong.

Whereas their features are simplified, their bags, sunglasses, mobile phones and other accessories are all depicted in stylish detail.

Admission is free. Hours are from 10 a.m. to 6 p.m. Monday to Saturday, and until 5 p.m. Sunday. Go to Anguk Station, line No. 3, exit No. 1 and walk for 10 minutes.
